NOTE : CALENDAR IS SUBJECT TO CHANGE.

The entire course shall be completed in Six Semesters, each semester of Six month's duration. Each Semester shall comprise of Teaching Learning, Presentations, Experimental/Laboratory/Hospital Exercises and Thesis work.

CALENDAR OF THE ENTIRE COURSE :

First Semester	:	01 st June 2018	–	30 th November 2018
Second Semester	:	01 st December 2018	–	31 st May 2019
Third Semester	:	01 st June 2019	–	30 th November 2019
Fourth Semester	:	01 st December 2019	–	31 st May 2020
Fifth Semester	:	01 st June 2020	–	30 th November 2020
Sixth Semester	:	01 st December 2020	–	31 st May 2021

ATTENDANCE

Through 80% Attendance makes a P.G. student eligible to appear in Final University Examination but for completion of 3 years residency 36 months stay in departments is essential Only 48 CL & 4 Academic Leaves are permissible in the tenure of 3 years.

During each semester teaching learning and assessments will be as follows:

TEACHING

The Students are supposed to orient themselves in their respective departments during the first two months. Then onwards they are supposed to involve themselves in Undergraduate teaching, both didactic as well as Practical/Lab Exercises and Ward teaching. From second semester onwards they should be involved in active teaching of undergraduate students. Apart from the undergraduate teaching, they shall have to present Seminars and Journal clubs in their respective departments.

ASSESSMENT

There will be (05-Five) Internal assessments, Terminal examination at the end of first, second, third, fifth semesters and one Pre-University examination 01 month before Final Examination. The internal assessment will consist of Theory, Practical and Viva voce examination (Whenever feasible the External Examiners visiting to assess the undergraduate students could be asked to examine the Post Graduate students as well). Internal assessment will also comprise of the marks/grades allotted to the students for their performance in Seminars and Journal Club presentations.

Final University Examination will be held at the end of the sixth semester. The students will be assessed for theory, practical's, lab exercises and clinical examination (wherever applicable).

THESIS WORK

The students have to submit the protocol of their proposed thesis work latest by the 30th Sep. in the office of Principal/Dean SMC. The Protocol should be in brief, not more than 1000 words under following Headlines:

1. Introduction.
2. Review of Literature.
3. Aim and Objectives.
4. Material and Methods.
5. Performa for collection of data.
6. Consent form and patient information sheet in Hindi & English
7. References In Vancouver Style.

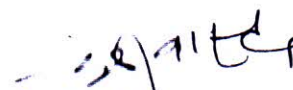

The format of Patient/Participants Information Sheet and Consent Form is attached for your reference. The Protocol should be presented first in front of departmental faculty and get their approval. The Protocol will be examined by Research Degree Committee (RDC) and Institutional Ethics Committee (IEC) of SMC and if any correction is required, a revised protocol has to submit within a week. During each semester there will be a review of the Thesis work by the entire faculty or a board of faculty constituted by HOD.

After completion of Research Work there will be a final thesis presentation by the student in the department during the Fifth Semester before 31st August 2020. After approval by the board of faculties the thesis has to be submitted to the Office of Principal/Dean SMC **positively 31st September 2020**. All the Post Graduation students will have to attend conferences and present papers/posters and also publish at least one research paper from the thesis before appearing in the final University Examination
