CALENDAR OF THE ENTIRE COURSE :

First Semester	:	11 th March 2022	–	10 th September 2022
Second Semester	:	11 th September 2022	–	10 th March 2023
Third Semester	:	11 th March 2023	–	10 th September 2023
Fourth Semester	:	11 th September 2023	–	10 th March 2024
Fifth Semester	:	11 th March 2024	–	10 th September 2024
Sixth Semester	:	11 th September 2024	–	10 th March 2025

ATTENDANCE

Though 80% Attendance makes a P.G. student eligible to appear in Final University Examination but for completion of 3 years residency, 36 months stay in department is essential. Only 12CL in 1st Year 16 CL in 2nd Year & 20 CL + 4 Academic Leaves in 3rd Year are permissible.

During each semester teaching learning and assessments will be as follows:

TEACHING

The Students are supposed to orient themselves in their respective departments during the first two months. Then onwards they are supposed to involve themselves in Undergraduate teaching, both didactic as well as Practical/Lab Exercises and Ward teaching. From second semester onwards they should be involved in active teaching of undergraduate students. Apart from the undergraduate teaching, they shall have to present Seminars, Journal clubs and any other academic exercises as per NMC norms in their respective departments.

ASSESSMENT

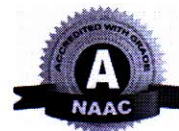

There will be (04-Four) Internal assessments at the end of first, second, third, fifth semesters and one Pre-University examination 01 month before Final Examination. The internal assessment will consist of Theory, Practical and Viva voce examination (Whenever feasible the External Examiners visiting to assess the undergraduate students could be asked to examine the Post Graduate students as well). Internal assessment will also comprise of the marks/grades allotted to the students for their performance in Seminars case presentation and Journal Club presentations.

Final University Examination will be held at the end of the sixth semester. The students will be assessed for theory, practicals, lab exercises and clinical examination (wherever applicable).

THESIS WORK

The students have to submit the protocol of their proposed thesis work latest by the **31st August 2022** in the office of Principal/Dean SMC. The Protocol should be in brief, not more than 1000 words under following Headlines:

1. Introduction.
2. Review of Literature.
3. Aim and Objectives.
4. Material and Methods.
5. Performa for collection of data.
6. Consent form and patient information sheet in Hindi & English
7. References In Vancouver Style.

The format of Patient/Participants Information Sheet and Consent Form is attached for your reference. The Protocol should be presented first in front of departmental research committee and get their approval. The Protocol will be examined by PG Research Sub Committee (PGRSC) and Institutional Ethics Committee (IEC) of SMC and if any correction is required, a revised protocol have to submit within a week. During each semester there will be a review of the Thesis work by the entire faculty or a board of faculty constituted by HOD. Report of Thesis review will be sent to PGRSC.

After completion of Research Work there will be a final thesis presentation by the student in the department during the Fifth Semester before 31st March 2024. After approval by the board of faculties the thesis has to be submitted to the Office of Principal/Dean SMC **positively 30th April 2024**. All the Post Graduation students will have to attend conferences and present-papers/posters and also publish at least one research paper from the thesis to become eligible to appear in the final University Examination. completion of Basic course of Biomedical research till second semester is also compulsory by NMC
