Greetings from Dr V.B Bhatnagar Subharti Institute of Cancer Management and Research (SICMAR).

We are delighted to inform you that SICMAR is organizing the **2nd Annual Foundation Day - Subharti Cancer Updates 2024**, scheduled on **20<sup>th</sup> and 21<sup>st</sup> April 2024** at **Satyajit Ray Auditorium, Faculty of Fine Arts, Swami Vivekanand Subharti University, Meerut.**

This conference is dedicated to exploring and promoting innovative approaches to cancer care. With a focus on collaboration, education, and advancements in the field, we aim to provide a platform for healthcare professionals, researchers, and industry experts to exchange knowledge, discuss emerging trends, and showcase cutting-edge technologies in cancer diagnosis, treatment, and management.

Attendees can expect a comprehensive program featuring keynote presentations, panel discussions, interactive workshops, and poster presentations covering various aspects of cancer care. Renowned experts from across the globe will share their insights and expertise, offering valuable perspectives on the latest developments in oncology research, personalized medicine, immunotherapy, supportive care, and survivorship.

Moreover, the conference will serve as a hub for networking and fostering collaborations among participants, fostering interdisciplinary dialogue and fostering partnerships that will drive innovation and improve patient outcomes in the fight against cancer.

Join us at the 2nd Annual Foundation Day - Subharti Cancer Updates 2024 conference as we come together to explore new horizons in cancer care and work towards a future where every individual affected by cancer receives the best possible care and support.
